

Virtually Beach Mission: 3rd – 14th August 2020

On site events

Our local team members will run the following events, under the leadership of Ruth Walker and the SUMT team. Only a small proportion of our team members live on the island, so we do not have enough team members available to take full responsibility for your children. Please, therefore, note the following key points:

- **Safeguarding:- All children aged 12 or younger must have an adult "on site" with them during all activities.** Parents/carers are welcome to join in the activities, or watch from the side - this is likely to vary according to the age and ability of your child(ren). If your child will need individual help, or is likely to wander off, we will not be able to offer that level of support, so please join in and help your child. But if your child will join in with group activities without individual support, please feel free to sit nearby and keep watch over your child. It is at your discretion to decide how many children it is appropriate for one adult to be responsible for (and this will clearly depend on the age of the children), but please understand that you are fully responsible for the safety of the children you bring at all times.
- **Teenagers:-** Young people aged 13 -17 (age by end of August 2020) may attend any of the events without an adult. We will have team members designated to take responsibility for the teenagers.
- **Seating:-** You may want to bring something with you to sit on - there are likely to be far too many adults for the small number of benches available!
- **Registrations:-** All children/teenagers who participate must be registered. It is helpful to us if they are registered in advance, but there will be an opportunity for any who come along who aren't already registered, to sign up when they arrive.
- **Resource Packs:-** If your child does not already have their resource pack, these can be collected at the sign in table.
- **Track and Trace:-** We have been asked to make sure that we keep a record of everyone who attends any of our activities for track and trace purposes, just in case this may be needed. We will do this by having a list of all registered children and ticking them off as they arrive for each session. We will then be able to provide contact details using the details on the registration forms for every family who attends. These "registers" will be destroyed after 21 days.
- **Hand sanitisers:-** Hand sanitisers will be available - you are encouraged to use these as you arrive, and throughout the event as you feel appropriate

See next page for the programme.

Events aimed at Primary children but all ages welcome	Events for teenagers only	Events for all ages
---	---------------------------	---------------------

When?		Who?	Where?	What?
Mon 3 rd August	2.00 – 3.30pm	Aimed at primary school ages, but all ages welcome	Meet outside Mallmore (The Promenade, PSM) Activities will take place outside if possible. If weather is poor, activities will be at Living Hope Church (Bayview Road)	A selection of games and other fun activities.
